 SOLAR ENERGY

Integrated Solar Street/Garden Light (100W)

Model: **ENK-SS1100S**

Solar panel	Max power	36V170W (Imported High Efficiency Monocrystalline Silicon)
	Life time	25 years
Battery	Type	Powerful LifePO4 Battery (12.8V/84AH)
	Life time	6 years
LED Lamp (without motion sensor)	Max power	12V 100W
	led chip brand	Bridgelux LED Chips from USA
	lumen (LM)	10000LM
	Life time	50000 hours
	Viewing Angle	120°
Charging time	by sun	8 hours (Strong sunshine)
Working time	full power	Light on for 12 hours a day with full capacity, lasting 5 rainy days
working Temperature	range(°C)	-30°C~+70°C
CCT	range(k)	4000k
mounting height	range (m)	12 -15 m
space between light	range (m)	35-40m
Lamps material or main		Aluminum alloy + galvanized iron
Certificate		CE / ROHS / IP65
warranty period		3 years
Packing & Weight	Product size	1400*673*43mm; 640*400*342mm
	Product weight	47 KGs
	Carton 1	1570*740*120mm (light)
	Carton 2	685*455*375mm (Base+Accessories)
	Q'ty/ctn	1set / 2 cartons
	GW.for carton	51KGs
Packs Containers	20' GP	108 sets
	40' GP	218 sets
